Profile

Dedicated Computer Engineer with the wish of actively taking part in the Unification Church Providence through technology and innovation. Second-generation with parents from the 1989's 1275 couples Holy Blessing. Received the Cosmic Holy Blessing in 2018 with a 26-year-old half German and half Dominican.

Currently self-studying Web Development Full-Stack on the Udemy online learning platform.

My professional goal is to eventually run a business focused on projects that somehow make the world a better place.
